

ABOUT K.C. MINISTRIES, INC.

K.C. Ministries, Inc., is an outreach ministry. The intent of the ministry is to inspire, to encourage, and to foster a walk of faith in people, especially women.

Our belief is that religious leaders are responsible to prepare the community of people to stand righteous before a Holy God. Concurrently, and just as important, we are responsible for spurring a victorious walk here on earth.

Therefore, this non-profit corporation is organized more specifically to instruct in biblical principles, to encourage and promote spiritual and personal growth and development.

Consequently, K.C. Ministries hosts special events and partners with existing churches seeking volunteers for mentoring, teaching, and coaching support. As a conduit, K.C. Ministries also invites life coaches and agents of other community organizations to hosted events. The purpose is to provide a forum for face-to-face interactions with these community representatives and to inform attendees of the various resources available to assist them in tasks such as establishing goals and objectives, developing timelines for completing goals, and other miscellaneous support such as providing information and resource contacts to those who may desire formal education and training. It also provides an open forum for networking and an atmosphere for exchanging dialogue and sharing endeavors and successes.

By dealing with spiritual issues and assisting with the common needs of the people, we hope to help individuals become positive contributors to their own well-being and to society on the whole.
